# About Tejas

Welcome to the most awaited event of Shift III, St. Joseph's University -  
**TEJAS - Our annual inter class Cultural Fest**

As we embark on this cultural odyssey, we invite you to delve into an experience that transcends the ordinary—a celebration of bonds, talents, and the holistic spirit that defines our vibrant community.

This year, as we complete a hattrick of Tejas, we proudly celebrate the theme "Playground of Possibilities". Play, after all, is not just about fun—it's about learning resilience, fostering creativity, and building bridges across differences. History reminds us of this truth: from the ancient Greeks who found strength and unity through the Olympics, to Indian games like Chaupar that taught strategy and foresight, play has always been a powerful teacher. It sharpens minds, nurtures collaboration, and creates spaces for empathy and connection.

In this edition, Tejas becomes a space where students from across streams and years come together through the language of play:

For the first years, it's a warm invitation to settle into university life, forge connections, and find their place.

For the second years, it's a chance to fortify their presence, discover new dimensions of their talents, and deepen friendships.

And for the final-year students, it's a nostalgic last hurrah—a chance to relive the sheer joy of play before life calls them into new adventures beyond the campus gates.

So come, step into the Playground of Possibilities, where imagination soars, friendships are forged, and life is truly learnt in play. Because when we let go, connect, and simply play along, we find not just joy, but endless possibilities waiting for us.

As you navigate the pages of this brochure,  
May you find inspiration, excitement, and a sense of belonging.

We heartily welcome you all again to TEJAS 2025.  
Let the festivities begin!
